Barrio de Salamanca

Madrid July 3/84

My dear Mr. Tannan

I have just received your letter enclosing the Cheque, and beg to return you my warmest thanks for all your kindness, and especially for the inconvenience of your visit to the Canal de Navilla

You may be sure that I am greatly interested in the letter being personally delivered to him, as I should not have been tempted to trouble you.

With love to your wife,
believe me to remain

Yours very sincerely
José Hato de Lemos
